

# THE Liana Fideler Scholarship FOR KINESTHETIC LEARNERS

## 4-Year High School Scholarship

Established 2016

Oak Grove students learn to use their minds, their bodies, and their hearts well because the overarching themes expressed in the Arts of Living and Learning are embedded in the school's culture, curriculum, classroom practice, and expectations of student learning.

The aim of this scholarship is to honor students that would thrive in an alternative educational setting in which tactile and hands-on learning opportunities are provided and encouraged. Kinesthetic learners do best when carrying out physical activities as opposed to listening to a lecture or watching demonstrations. The curriculum within Oak Grove's intimate high school offers the space and support for kinetically exceptional students to thrive and succeed.

The admissions committee awards the scholarship to incoming freshman who live locally, plan to attend all four years of the high school program, remain in good academic standing, and demonstrate the characteristics of a kinesthetic learner.

To Apply for the Liana Fideler VPA Scholarship:

- Complete an online application for Oak Grove School
- Complete the Financial Aid Application
- Submit teacher evaluation forms or community member recommendation and transcripts
- Student: Write a 1-2 page essay about how you, as a kinesthetic learner, would benefit from an Oak Grove educational environment
- Parents: Write a 1 page narrative on why you have chosen Oak Grove for your student, and how, as a family, you will be a positive addition to the community
- Participate in an Admissions Interview
